Review the statements below. Check the boxes once the statements have been reviewed.

Plan review turnaround is 15-business days from the date plan review fees are paid. Do not contact our office during the 15-business day review turnaround. Our staff will not respond to your inquiry. Once your review is complete, our office will contact you via email.

Alpine Springs County Water District Projects – Once this review is approved, a copy of the plans will need to be provided to ASCWD for their records.

Review the submittal requirements below. NTFPD is no longer able to approve plans with conditions. If any of the requirements are missing, plans will not be approved and will be subject to resubmittal fees. All resubmittals trigger a new 15-business day turnaround.

Step 1: Check the type of plan review that applies. Under the selected type, check the requirements to ensure all are met prior to submitting.

NTFPD/Placer Co. Review Submittal Requirements –

A complete set of the construction/remodel plans stamped and signed by the design professional(s).

Applicable building codes and standards must be noted on the cover sheet, including the NTFPD Amended fire code, Ordinance 04-2019.

The county issued project permit number. If the permit issuance checklist is already issued, include this with submittal. If not, you will be required to submit a copy to NTF once it is issued.

Pre-Development Meeting Findings/Alternate Materials and Methods Request (If applicable)

MBFPD/EI Dorado Co. Review Submittal Requirements –

A complete set of the construction/remodel plans stamped and signed by the design professional(s).

Applicable building codes and standards must be noted on the cover sheet, including the MBFPD Amended fire code, Ordinance 19-2.

The county issued project permit number.

Pre-Development Meeting Findings/Alternate Materials and Methods Request (If applicable)

Once the TIP is reviewed and approved, NTFPD/MBFPD will sign-off the workflow in the county's system and add any Fire flags/holds/notes that will be required for project final. This will allow for permit issuance from the county if their requirements have been met.

I hereby acknowledge that I have read the Fire District's requirements above for plan review. Furthermore, I acknowledge that if any of the requirements are not complied with, the plans/project will fail review and will be subject to resubmittals and resubmittal fees. By signing below, I am verifying that I have met the requirements for this submittal.
