

NOTICE TO PLACER COUNTY BUILDERS WITHIN THE NORTH TAHOE FIRE PROTECTION DISTRICT

Due to this year's Plan reflecting the Five-Year Impact update of the fire district fee study, we have not applied an inflationary index adjustment but instead have based the rates included in the Plan on those indicated in the updated fee study.

The fee schedule for 2024 will be effective 60 days after the Plan is approved by the Placer County Board of Supervisors. The revenue generated by these fees is designed specifically for capital improvements. The Plan will be taken for board approval to the North Tahoe Board of Directors at the regular meeting on December 5, 2023.

The Fire District will need a set of your plans and a copy of your Permit Issuance Checklist to establish your specific fee. The fees must be paid to the North Tahoe Fire Protection District prior to the issuance of your building permit.
